Delta Vision Insurance

Delta Vision

TCAD provides vision insurance for you and your family at no cost to you. Our vision coverage is loaded with valuable benefits and offers all the protection you need to keep your eyes healthy.

Our plan offers coverage for exams, frames and lenses or contacts, coverage for LASIK vision correction and unique coverage for specialized lenses, including photochromic and progressive lenses.

Unique benefits of DeltaVision® that are not common with other carriers include: an allowance for photochromic lenses, an allowance for progressive lenses and full coverage for polycarbonate lenses for children age 19 or younger. To see a summary of your vision benefits [click here](#).
